Happy Eid-ul Fitr!

AS the crescent moon graces the sky, signalling the end of Ramadan, Graphic Showbiz extends heartfelt wishes to our Muslim brothers and sisters worldwide on the joyous occasion of Eid-ul Fitr.

This sacred festival, marking the culmination of 30 days of fasting, prayer and reflection, holds immense significance in the Islamic calendar, embodying the values of compassion, gratitude and community.

Eid-ul Fitr, often referred to as the "Festival of Breaking the Fast", is a time of jubilation and togetherness, where families and friends come together to share meals, exchange gifts, and offer prayers of thanksgiving. It symbolises the renewal of

faith, the triumph of spiritual discipline, and the importance of generosity towards those less fortunate.

Graphic Showbiz joins in the festivities, celebrating the spirit of Eid with our Muslim community. However, as we revel in the joyous moments of Eid, it is imperative to heed a gentle reminder for moderation. While merry-making is an integral part of the festivities, it is equally essential to exercise restraint and mindfulness to avoid any potential mishaps.

In the midst of celebrations, let us not lose sight of the values and teachings that Eid-ul Fitr embodies. Let kindness, compassion, and tolerance guide our interactions with one

another. Let us reach out to those in need, extending a hand of support and solidarity, thereby fostering unity and understanding within our communities.

As we bid farewell to Ramadan and embrace the joys of Eid, let us remember that true happiness lies in the harmony of our hearts and the unity of our spirits. Regardless of our differences, let us stand together in brotherhood and sisterhood, celebrating diversity and embracing the essence of humanity.

On this auspicious occasion, Graphic Showbiz extends warm wishes to all our Muslim readers, partners and friends. May your homes be filled with laughter, your hearts with peace, and your lives with blessings aplenty. Happy Eid!

King Promise

I'M really rooting for King Promise to win this year's **TGMA** Artiste of the Year even though I know Stonebwoy is a strong contender in the category. I think King has really worked hard over the years

to crown his efforts with an Artiste of the Year award this year.

I'm fervently praying for my icon to bring home the prestigious award since we, his fans, are eagerly waiting to celebrate.

Leave Serwaa alone

CAN people give Serwaa Amihere a break? What's her crime? Whatever she got involved in is called consensual sex. Is she not an adult?

Serwaa is my favourite celebrity and it really hurts to see how she is always subjected to internet trolls.

I doubt it would have been a matter of great concern and subject of social media conversations for days if it were another female celebrity.

Yes, Serwaa is a woman of valour and those who have refused to accept that grace on her life have themselves to blame for being envious of her exploits.

I'm really happy she didn't allow this "scandal" to get her down and still going strong at what she does.

Go girl! Let he/she who hasn't sinned before throw the first stone.

3Music Awards

CAN you please find out from organisers of 3Music Awards what's happening to it.

It has been two years of "no show" and I think it's only fair to officially communicate their challenges.

It's understandable if Baba Sadiq is occupied with his political ambitions but I don't want to believe that he is the only

competent person in the team to make it happen. As it stands now, I don't think this year's event will come off.

Also, the creative industry is bedeviled with many challenges so I'm appealing to our corporate institutions to invest in the sector by sponsoring relevant schemes like 3Music awards.
